

# GILLASPIE

MANUFACTURING, INC.  
12800 NE 95th Street  
Vancouver, Washington 98682

## QUALITY POLICY

Gillaspie Mfg. Inc. is seen as a quality leader for Precision Thin Sheet Metal Parts, Stampings, Vertical Machined Parts and Value Added Assembly. Our goals are:

- Maintain our Highest Priority of “Total Customer Satisfaction”.
- Provide the Highest Quality parts and services to our customers, consistently meeting or exceeding their needs.
- Continually strive to improve our processes, capabilities, services and facilities.
- Empower our employees to initiate action, by identifying potential and preventable quality defects.
- Applying some 5S program principles.

## ENVIRONMENTAL POLICY

Gillaspie Mfg. Inc. is seen as a company that is concerned with protecting the environment. Our goals are:

- To maintain a clean facility, both internally and externally.
- Handle all chemicals responsibly and with respect for the environment.
- Eliminate the use of Non-Environmentally friendly materials where possible.
- Reuse and Recycle as much Packaging material as possible.
- Comply with both “RoHS” and “REACH” requirements as necessary and where possible.
